

COMMITTEE AND COMMISSION APPLICATION PACKET

Dear Citizen:

This has been prepared to inform the residents of Escalon of the opportunities for citizens' participation in local government through advisory committees. It includes basic information about the purpose and responsibilities of the committees, qualifications for membership and how to apply for a city committee.

By serving on a city advisory committee, you can participate in planning the future of Escalon. Many of these committees are making recommendations that will greatly affect life in Escalon. It is important that prospective members of our committees clearly understand the functions and responsibilities of membership before actively seeking appointment. A great deal of personal satisfaction may be received from public service and the knowledge and experience gained will be invaluable to you.

Residents of Escalon interested in serving on a committee should fill out the attached application. Feel free to include a resume, or other information you feel would help the City Council to decide which committee could best use your expertise.

The City Council also encourages your participation and involvement at City Council meetings. The City Council meets on the first and third Mondays at 7:00 p.m. in the Escalon City Council Chambers, 2060 McHenry Avenue.

We look forward to working with you to build a better Escalon!
