

CONDITIONS OF PERMIT

1. This permit is issued under and subject to all laws and ordinances of agencies governing the encroachment herein permitted, to wit:

CALIFORNIA STREETS AND HIGHWAYS CODE:

Division 1, Chapter 1
Division 2, Chapter 2, Section 942
Division 2, Chapter 4, Section 1126
Division 2, Chapter 6

2. All work covered by this permit shall be done in strict conformance with **CITY OF ESCALON MUNICIPAL CODE CHAPTER 12, TITLE 8 (12.08)**.
3. It is understood and agreed by the permittee that doing any work under this permit shall constitute acceptance of all the provisions contained herein and failure of the part of the permittee to comply with any provisions will be cause for revocation of this permit. Except as otherwise provided for public agencies and franchise holders, this permit is revocable on five days written notice.
4. All work shall be done subject to the supervision of and satisfaction of the grantor. The permittee shall at all times keep the city street or right-of-way in as neat and clean condition as possible and upon completion of the work granted herein, shall leave the city street or right-of-way in a thoroughly neat, clean and usable condition.
5. The permittee agrees by acceptance of this permit to properly maintain any encroachment structure placed by the permittee on any part of the city street or right-of-way and to immediately repair any injury to any portion of the street or right-of-way which occurs as a result of the maintenance of the said encroachment structure.
6. The permittee also agrees by acceptance of this permit to make, at its own expense, such repairs as may be deemed necessary by the City Public Works Director or his/her representative.
7. No material used for fill or backfill in the construction of the encroachment, except that which comes from trenching, shall be taken from within the city street or right-of-way.
8. All work shall be planned and carried out so that there will be as little inconvenience as possible to the traveling public. No material shall be stocked within eight feet of the edge of pavement or traveled way unless otherwise provided herein. Adequate provision shall be made for the protection of the traveling public. Barricades shall be placed with approved signs and warning lights at night and flagmen shall be employed, all as may be required by the particular work in progress.
9. The permittee, by acceptance of this permit, shall assume full responsibility for all liability for personal injury or property damage which may arise out of the work herein permitted or which may arise out of the failure of the permittee to do the work provided for under this permit. The permittee shall provide such evidence of insurance as required by the City and shall indemnify and hold harmless the City of Escalon and its employees and agents from any claims arising out of the permittee's execution of the work herein permitted.
10. Whenever necessary to secure permission from abutting property owners, such authority shall be secured by the permittee prior to starting work.
11. Control of dust will be maintained at all times.
