

CITY OF ESCALON

DEVELOPMENT SERVICES

2060 McHenry Ave ▪ Escalon, California 95320 ▪ Office 209.691-7422 Fax 209.691-7409

We all take pride in our community, however on occasion some of the rules and regulations that the City has adopted are not followed. With a little help from everyone, our community is one that we all will continue to enjoy coming home to.

Here are some reminders from your City Code Enforcement

1. Trailers: Whether they are travel trailers, RV's, flat bed trailers or box trailers (anything that can be towed behind a vehicle) can only be parked in the street for no more than 72 hours.
2. Vehicles in the street: Just like with trailers, they cannot be parked in the street for more than 72 hours. If the vehicle has expired registration over 6 months, it can be towed off the street immediately. The owner will be responsible for all costs.
3. Portable basketball hoops: Cannot be kept in the street or on the sidewalk. Move the hoops up into the driveway, or if you do play with them in the street; remind yourself to put them away when finished playing.
4. Junk & Rubbish: Keep yards and property free of junk, rubbish and debris.
5. Vehicles on private property: Need to be maintained in a clean fashion. Keep the undercarriage of vehicle free of cobwebs, leaves and other debris.
6. Garage sale signs: Remove all garage sale signs promptly after sale.
7. Yard waste pick-up in street: Public Works does not provide yard waste removal from the streets. Use the Gray or Green can for yard waste.
8. Water conservation: Remember to observe water usage and conserve, conserve, conserve.
9. Sheds & Accessory Buildings: Contact the City of Escalon Development Services before you build or erect a structure on your property to ensure setback regulations, and zoning rules are followed.
10. Grass and brush: Keep yards and lots clear of brush and keep grass mowed to at least 6 inches or shorter.

"Taking Pride in Our Community through Quality Customer Service"
