Cub Basketball is back!! The youth rec basketball program will once again be run by the Eski Cougars boys' and girls' basketball program. Many of you played and remember Cub Basketball, well now your kids will have the same opportunity. We've had a successful first couple of years and have made some changes to make this year even better.

Our goal is to foster greater interest in the sport of basketball and to provide the youth a fundamental base groundwork of the game. Your child will improve their basketball skills by attending this 7 week intensive fundamental skill developmental league being coached and refereed by EHS Basketball Staff and members of Escalon Cougar Basketball Programs. We will stress both individual and team fundamental skills necessary to build a solid foundation for your child's future play. The following areas will be taught:

- Footwork-Power position, Pivots & Slides
- Defensive Techniques- Stance & Closeouts
  - Ball Side & Help side Defense
