SPONSOR SIGN UP

In order to make our Youth Sports Programs successful, the City of Escalon Recreation Department relies a great deal on local sponsors. Sponsorships help to offset costs in running youth sports and to keep registration fees for families to a minimum.

All that is required to be a sponsor is a tax-deductible donation (see amounts below). This places your business name on your team's uniforms, and you will receive a plaque with your team's picture on it. If you would like to give support, please make a check out to the City of Escalon and return it with this form to the Escalon Recreation Department.
