

# CITY OF ESCALON

The City of Escalon bills for a two month period. The following rates are for commercial customers with a meter size of 1” or less and cover a two month period. Water Base Charge fees are based on water meter size. Most customers will pay the following fees which are based on a 3/4” meter.

## Water

You will be assessed two types of water charges on your billing: 1) Metered Consumption and 2) Water Base Charge\*. Escalon is on metered water and you will be charged based on a tiered system for the amount of water used on your property. Water Base Charge\* is a flat rate charge.

<b>Metered Consumption Charges for Non-Residential 1” or less (per unit)</b>	
0 to 30,000 gallons (per 1,000 gallons)	\$0.93
30,001 to 60,000 gallons (per 1,000 gallons)	\$1.07
Over 60,001 gallons (per 1,000 gallons)	\$1.21

Water Base Charge\* starting at \$43.10

*Current water rates are effective 03/01/17 and will increase annually effective March 1<sup>st</sup>.*

## Sewer

Commercial locations connected to the City system will be billed based on metered water use. The commercial use charge will be applied to 85% of water used each billing for low strength businesses and 95% of water used for medium and high strength businesses. See rates and categories listed below. Please contact the City of Escalon for further information (209) 691-7423.

### Non-Residential Variable Charges [1]
